"This scheme." it says, " is one of the most remarkable productions of the age, and deserves to be allowed a trial. There is something captivating in its grandeur and completeness as an intellectual gether likely to prove inoperative—to move for assistants.

conclusion, that so far as the lapsed mussis are concerned the gospel of Ohristianity has lost in our day its power and charm. When we consider her vast resources, Booth's project puts the BRITISH POLITICS.

LONDON, 13th October. Gladatone.

LONDON, 18th October in many families. At a meeting of the Northern Conservative Union at Newcastle to-day belfour renewed his attack on John Morley, charging him with mist representing and misquoting some of the Irish authorities. He defended the action of the police at "ipperary, saying Colonel Caddell, knowing the dangerous character of the mob. was parfectly fustified in moving on it.

LONDON, Oth October. John Mortev.

has any weight, John Morley's political reputation is lost absolutely and utterly, without that semblance of a chance for its recovery. A more masterly exposure of inconsistency, feeble, rack-Arrears Bill and Transays Bill were all due to lafter how his personal expenses were met. Parnellite suggestions, and the Land Bill of plaster would mend, but the sting of insult which inflamed the people. Such supercilions talk showed that Balfour was musit to governe dispatches. In a speech at Newcastle to-day Lord Granville said the Tories pretended they were confident of the result of appealing to the country. yet they delayed dissolving Parliament as long as possible. Referring to the new American tariff ha said "It is certain to be more injurious to America herself than England."

IN IRRLAND.

LONDON, 18th October. As the distress in Ireland will be the pivot of all debate in Parliament, the Government is anxious to possess itself of proper information on the subject of the famine and its effect, instead of the garbled accounts which have leen furnish dit thus far. It has therefore againsent r. Jackson, the Financial Secretary of -which have been affected by the potato blight. 1. F. Take, who is the leading authority on the regards with satisfaction the civilizing explor- French army secrets to the German Government an expert and impartial review of the situation. opposing the cossion of Kassala to that Power. This appears to prove that the lively alarm concorring the condition of the monle, which has and their friends, was smowhat premature. -Dr. Tuke dedies that there is any danger of in Tunis if she would abandon her interests in famine anywhere in Ireland. He says that the Tripoli. on over which serious failure of 'crops extends is limited to some western places, and is less extensive than the crop failure of 1879. He further states that the people in the areas which are in the worst plight are better able to bear their losses in consequence of the potato blight than they were at that time, because the price Grans officers are making every effort to stamp? of stock is high now and the oron of oats is good, so that generally there is less dependence upon the potato grop than there was formerly. THE UNITED STATES.

IMPERIAL QUARTO. INGLISH AND CHINESE DICTIONARY. WITH THE PUSTI AND MANDABIN PROPUNCIATION. An Anglo-Chinese Dictionary, published at the Daily Press Office, Hongkong. For comprehensiveness and practical service this Work stands unrivalled. All the new

words which the Chinese have of late years been 852 compelled to coin to express the numerous objects in machinery, photography, tolography, and in science generally, which the rapid advance of foreign relations has imposed upon them; are SINGAPORE, PENANG, COLOMBO, INBURANCE bere given in extense. Each and every word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both Having connection with Company's Mail ACCEPT RISKS the Court and Punti pronunciations are given the accents being carefully marked on the best principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the size Captain Walluschnig, will be despatched as above of body, thereby effecting a vast economy of on THURSDAY, the 20th instant, at Noon, space, achieving a clearness not previously taking Cargo at through rates to CALOUTIA, attained, and dispensing with those vast margins and vacant spaces which have heretofore charac- MADRAS, PERSIAN GULF, BLACE SEA, LEVANT, and Adriatic Ports. terised Chinese publications.

To illustrate the vast scope of the work the following facts are submitted forconsideration :-Chalmers' Vocabulary contains about 16,000 Chinose characters, and Medhurst's English Freight, apply to and Chinese Dictionary about 100,000, whilst this work pontains more than 50,000 English words, and upwards of 600,000 Chinese characters. Again, despite all the grammars and other elementary works as yet published, the atudent of this difficult language absolutely requires examples to display the various appli cations and equivalents of different words which have one general meaning. Of these examples this work contains more than five times as HANROW, and PORTS on the many as any other Dictionary hitheric pub.

OMPANY, OF 1877 lished. For practical purposes the arrangement of the work is so complete, that a reference to its pages enables a person who understands English dove Company, are to communicate effectively with natives who SKS, against FIRE understand nothing but Chinese. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which 1235 | very few indeed of them are perfectly acquainted. To parties resident in England and interested
